Psychological Services

Heal The Mind provides a wide range of psychological services using a variety of therapeutic techniques. Our team includes General and Clinical psychologists, as well as a number of other health professionals.

General Psychological Services

- Assessment and diagnosis of psychological disorders
- Psychometric assessments
- Coping with stress, anxiety, depression and anger
- Relationship, marital and family problems
- Domestic violence
- Self-esteem development
- Social skills training
- Suicide prevention
- Dealing with work issues
- Overcoming drug and alcohol addictions
- Grief counselling

We also provide specialist care for special populations as well as Private and Government organisations.

Parenting Program

Our clinic has combined scientifically-researched parenting and counselling strategies with a range of spiritual and cultural components to provide you with a comprehensive parenting program.

What can we help with?

- Developing positive parenting strategies
- Relationship development
- Discipline
- Managing conduct and behavioural disorders
- Preparation for puberty and adulthood
- Coping through separation and life's other transitions
- Integration of cultures
- Marital conflict due to parenting

Heal The Mind Parenting Program will provide you with exceptional quality psychological care as part of the parenting program and can connect you to other organisations which will help you become an even better parent.

Professional Training

Heal The Mind has developed a range of interactive and engaging half and full-day workshops. These workshops have been designed to provide you with a comprehensive introduction into cultural competence in the workplace. We endeavour to make all of our professional training programs interactive and engaging, and provide you with the best quality training available.

Available Training Programs

- Working with Culturally Diverse Families
- Working with Refugees and Asylum Seekers
- Compassion Fatigue Training
- Cross-Cultural Communication Training
- Administering Mental State Examinations
- Working with interpreters
